VOLUME XIV. MILWAUKEE DAILY SENTINEL, WEDNESDAY MORNING, APRIL 1, 1857. NEW SERIES.

THE DAILY SENTINEL.

RUFUS KING & WM. H. WATSON,
PROPRIETORS,
Under the Name and Firm of Rufus King & Co.

MILWAUKEE:
Wednesday Morning, April 1.

For Chief Justice of the Supreme Court,
EDWARD V. WHITON.

ELECTION, TUESDAY, APRIL 7.

Milwaukee and Mississippi R. R.

The track of our Pioneer Railroad was within *seven* miles of the Mississippi on Saturday night. Ten, or twelve days more will see it finished to Prairie du Chien. The ice has all passed out of the Wisconsin, without doing any damage to the three Rail Road bridges which span that stream. In the Kickapoo flats, however, a few rods of the track were washed away by the Spring freshets. This breach will be speedily repaired. Mr. BRODHEAD, the energetic and indefatigable President of the Company, is now at Prairie du Chien and will remain there, hurrying up the work, till the road is finished and open to the Mississippi.

LIST OF LETTERS.—The semi-monthly list of letters remaining uncalled-for in the Post Office, will be found in to-day's paper. This list is, by law, always published in the paper *having the largest circulation*, and has been so published in the *Sentinel*, ever since the law was passed. Advertisers will do well to bear this fact in mind.

A Bogus Convention.

When the call for the Democratic Judicial Convention in this Circuit first appeared in the *News*, it was denounced by the Waukesha *Democrat* as fraudulent and unauthorized, a majority of the Democratic Committee for that County having refused to sign the call. The Convention, nevertheless, was held, and sundry gentlemen appeared there as duly elected delegates from the several Assembly Districts of Waukesha County. Yesterday we saw and conversed with several residents of that county, who assured us that no delegates had been chosen there, and those individuals who represented themselves as such were self-elected and acted on their own responsibility. They were—it is unnecessary to say—zealous Barstow men, who came in to nominate Mr. MCARTHUR, as the representative of the Barstow interest.

A Partisan Appeal.

The *News* of yesterday addresses its readers, on the subject of the approaching Judicial election, in this party wise:

> We appeal then to democrats to read the second resolution and endorse it by their votes.—We appeal to all good citizens to pause and reflect before they vote for a man as Chief Justice, who is in the position of Judge Whiton, a partisan Judge, nominated by men who have forgotten all former declarations of not supporting a *party* Judge, and have now taken up a man they support as *partisans*, though with a lame attempt to make people believe he is any thing else.

The Jesuitism and hypocrisy of this sort of talk are sufficiently palpable. In one breath, the *News* appeals to all "democrats" to vote for Mr. COTHREN, as their party candidate, and in the next invokes "all good citizens" to vote against Judge WHITON, *because* he is a party candidate.

The charge that Judge WHITON is a "partisan Judge," is notoriously false and unfounded. No decision, act, or word of his can be pointed to, in support of this slanderous accusation. Judge WHITON, by common consent, has discharged the functions of Justice of the Supreme Court, with singular impartiality. But the Barstow organs owe him a grudge for vindicating the will of the people and rejecting the usurper BARSTOW, in the memorial Gubernatorial contest of last year. For this they decry and seek to ostracise this able and upright Judge. Will THE PEOPLE permit the sacrifice?

ANOTHER CHANGE IN THE "NATIONAL" ORGAN. It is announced that Mr. APPLETON, specially imported from Maine, at the outset of Mr. BUCHANAN's administration, to edit the Washington *Union*, is to retire from that post and succeed GEN. THOMAS, as assistant Secretary of State. Ill-health (dating from a weeks' sojourn at that "house of the Borgias," the National Hotel) is assigned as the main cause for this change. It is not yet decided who succeeds Mr. APPLETON as organ-grinder, nor does it much matter.

WAR OF THE WISCONSIN FACTIONS.—The Washington correspondent of the N. Y. Daily *News* (Democratic organ) thus writes under date of March 25th:

> There are two divisions of the Democratic party of Wisconsin here,—the Ex-Gov. Barstow crowd, and an opposition to him. Their mutual abuse has been carried to such an extent as to have become absolutely ludicrous.
>
> The President and his advisors are in a sore strait about the Wisconsin appointments. They are between Scylla and Charybdis and see inevitable destruction on either hand.

An Important Decision—The Rights of the Press Sustained.

The Charleston *Courier* has a report of the decision of a Court in South Carolina, growing out of the forcible ejection of a reporter of the press from the City Council of Columbia. The court decided that, as a corporator and a proprietor of a public press, he had a perfect right, without challenge or question, to attend the public meetings of the City Council of Columbia, and, at will, to report their proceedings, and his forcible ejection therefrom was a trespass on his person, on his rights, as a corporator, and on the freedom of the press, which entitled him to damages, for the unjustified and unjustifiable accumulation of wrong.

AN ORGAN DISGUSTED.—The N. Y. *Day Book*, the especial organ of the FERNANDO WOOD and Tammany Hall Democracy of New York, is infinitely disgusted at the President's distribution of the federal loaves and fishes among the multitude of office beggars in Gotham. The following paragraphs reflect its feelings:

> "The President has recognized the 'four thousand six hundred' Libby men as the Democratic party of New York; we hope that he will look to them hereafter for support, and as he has counted 35,000 out, we trust he will be willing they shall stay out."
>
> "As for Fowler, Mr. Buchanan could not have gone far enough in this nation to have done worse.
>
> "The new administration has gone down into the very dregs of society for its officers.
>
> "Now we would like to know if George Saunders and Hann. Hart were recommended at all?"

The Republican papers in New York generally speak well of the appointments, excepting only that of the notorious bully *Rynders* for U. S. Marshal.

A MISSING WIFE AND CHILD.—We find the following in the New York *Tribune* of Wednesday:

> Information wanted of Mrs. Mary Flagg and her little daughter, who left Racine, Wisconsin, on Tuesday, March 10, by the morning Express Train for New York, and were last seen or heard from in Chicago the same day. Their relatives very much fear that they were in the unfortunate train from Hamilton to Toronto, that met with with the sad disaster of the 12th inst. Mrs. Flagg is a small sized woman, fair complexion, light hair, and wore curls; aged 32 years, but looked much younger. Her daughter is about 6 years of age, very light hair, and curled all around her head. Any information will be thankfully received by her distressed father, Ellis Price, No. 96 Roosevelt St. New York.
>
> P. S.—Hamilton and Western papers please copy.

THE WESTERN RIVERS.—The St. Louis *Intelligencer*, of the 28th, says: "Missouri River is rising slowly, the upper Mississippi moderately fast, and the Illinois is swelling very fast. At this point the water is rising, with over ten feet to Cairo."

The upper Mississippi is clear of ice for 30 miles above Dubuque, but it will probably be a fortnight yet before it is open to St. Paul.

The Two Sides of the Story.

The editors of the Madison *Patriot* and Madison *Argus*, organs, respectively, of the two divisions of the Sham Democracy in this State, are now at Washington, backing up the claims of their especial friends to "aid and comfort," in the shape of office, from the Federal Government. They take slightly different views of men and things, at Washington, as in Wisconsin, of which fact our readers will be satified when they read the subjoined extracts from their last letters to their papers at Madison.

From the Madison Argus, (Barstow)

> The question of appointments in Wisconsin is not reached but probably will be within a short time. Noonan, *Dodge* & Co., are driven into a very close corner, just at present, if we are to judge from appearances. They have chartered a job office, somewhere in town, and are busily engaged in printing and circulating pamphlets, gotten up in the highest style of the art, accusing the Democrats of the State, with all the crimes known to the code, and the party itself with all the sins that it would be easy for a party to commit. One of these precious documents is a cowardly, scandalous and lying compilation against several persons who are prominent in the party in the State, signed J. A. Noonan and addressed to the President. It consists of four pages closely printed, and the President will doubtless read it word for word (?) after everybody in the city has done that same thing. The oratory documents are of a similar character, but more sweeping and general in the matter of charges and not signed by any one. It gives as reference Gen'l Dodge and Daniel Wells, Jr. A gentleman offered the latter, in my presence, $1000 if he (Wells) and Gen'l Dodge would sign it and he refused. He rubbed his hands, grinned, sided off and left the company. These are probably the dying throes of the rotten cabal that have controlled the federal appointments during the last four years, and who have eternally killed themselves, so far as the party at home are concerned, and whose only hope is to defraud and deceive the administration by the same system of lying by which they so essentially and overwhelmingly damned Pierce in our State. If we are not very much mistaken, Mr. Buchanan will not allow such scoundrelism to kill him and the party, by striking down the only supporters of himself and party in the State.
>
> It is rumored here that the Governorship of Kansas, made vacant by the recent resignation of Gov. Geary, will be offered to General Satterlee Clark, of our State. This appointment, if made, would reflect credit on the administration as a man of better executive qualities could not be found, and his known presence of mind and tact on all occasions, would eminently fit him for that post. Bleeding Kansas might close her wounds at once if she has not already.
>
> Gen. Pierce's administration removed H. W. Gunnison, one of Noonan's satelites, from the office of Superintendent of Public buildings, at Milwaukee, and appointed Capt. Barry, a true Democrat, in his place. Mr. Gunnison is now here bent on being re-instated.

From the Madison Patriot, (Anti Barstow)

> Nothing of any particular importance has occurred since my last. The Forty have become frightened and have sent for re-inforcements.—They have drawn up a statement, in their usual style, pleading the "baby act" and the general issue, and have demanded the signatures of their sympathisers generally. But I understand, that all but three or four have refused to sign it, and they are left in the lurch by their own friends. They have been barking around the White House for several weeks, but as yet have obtained no audience with the President, much to their chagrin. Every hour weakens their hopes, as their conduct is being pretty well proved up. Barstow is a bore to them, as his conduct is becoming pretty generally known. They have tried to get rid of him, on several occasions, but he is determined not to take the hint. Gen. Dodge is most magnificently abused by these scoundrels, as they fear his influence with the Administration, for he is all powerful with those who know him. They know him to be an honest man. He never makes representations that are not strictly correct, and all of the Government officers know it. Hence the Forty hate and despise the Old Veteran. He is enough for them, however, and I believe will come out ahead in the end.

It is not for us to interfere in the premises, or attempt to settle the dispute between the belligerents. But we cannot suppress a laugh at the original idea of pacifying Kansas by making *Sat Clark* Governor thereof! That would be rich indeed.

The State Finances—The State Tax.

A correspondent of the Ripon *Home*, doubtless Mr. RUNALS, lately the editor of that paper and a member of the Legislature, thus conclusively disposes of one of the many misrepresentations published by the democratic papers relative to the finances of the State:

> MR. EDITOR:—The following misrepresentation I clip from the Appleton Crescent, and my comment along with it please publish:
>
> The Legislature adjourned early Monday morning much to the joy of Tax Payers. The Shanghais raised up the State Tax for '57 to $300,000; the tax from Banks will exceed $50,000; other receipts $25,000; an issue of $50,000 State Bonds authorized, which with the $40,000 they found in the Treasury Jan'y 1st, 1856, rolls up the enormous amount of $475,000—nearly *half a million of dollars*—as the aggregate of expenditures by this model, economical party during the present year!! And, we learn from various sources entitled to credibility, it is believed at Madison that the extravagance of the Shanghai Legislature will show a deficiency of $20,000 over and above the above unprecedent expenditure!
>
> It may perhaps be as safely asserted of editors, as of any other class, that they ought to know something about the matters on which they seek to enlighten the public, and having a knowledge of the facts they ought not to misrepresent them. If the editor of the *Crescent*, or anyother benighted Hunker, will look at page 254 of the general laws of 1856 chapter 131, sec 1, they will find the following; "There shall be levied and collected for the year 1856, a state tax of three hundred thousand dollars." So "the Shanghais have" not "raised up the State tax" at all. The amount reported by the Committee was $275,000, and they thought it sufficient, but $25,000 was added to make sure of a sufficiency. The $50,000 State bonds are to be issued to meet a State debt created before the Shanghais had control of the State; the Bank tax, and "other receipts," was last year as now, in addition to the $300,000 tax.
>
> In the room of $40,000 on hand on the first of January, as above asserted, the Secretary of State reports that on that day $7,002,28 had been overpaid from the general fund—see page 7 of Secretary of State's Report. So that in the room of $40,000 on hand there was a deficiency of more than $7,000. "Samuel" may know better than the Secretary, but there is no proof of it.
>
> The Secretary is a Democrat, and therefore his figures ought to be orthodox with the *Crescent*, but it is to be hoped that the latter will not demonstrate that the former has been making reports A LA Janssen.
>
> Now Mr. *Crescent*, do figure again and you will find that taking your own estimate of the Bank tax, and "other receipts," the whole amount to be raised, and going into the general fund for 1857, will be only $375,000, while you will see by reference to page 6 of the Secretary of States Report, that the amount actually received during 1856 was $388,353-59 or more than $13,000 less for the present year than for the last and this notwithstanding the liberality of the last Legislature in providing for the Deaf and Dumb; the Blind—the Insane—for a House of Refuge—for a Geological Survey, and the enlargement of the Capitol.

California Appointments.

To the Editor of the N. Y. Tribune:

SIR:—Allow me to call your attention to the fact that, of the ten appointments already made for California, a state whose population is full one-half Northern men, all the appointees are Southern men, as follows:

B. F. Washington, Virginia.
Frank Tilford, Kentucky.
Dameron, Mississippi.
Hays, Texas.
Olivera, Louisana.
Gift, Tennessee.
Walter, Mississippi.
Dorsey, Georgia.
Hastings, Missouri.
Carr, Louisiana.

The Collector of San Francisco has 200 men to be appointed under him; Tilford, the Naval Officer, 6 clerks; Dameron, 3 clerks; Hays, 20; the others more or less, *all* of whom will be southern men. Besides, all but two have held office during the whole of Mr. Pierce's Administration. Some are changed from one office to another, so that it will read in the papers *removed*.

A CALIFORNIAN.

Washington, March 25.

An amiable bill-sticker was about putting a placard on a wall, when he was attracted by the words "Post no bills." He put down his bucket and brush, and with folded arms confronted the offending inscription: "Post no bills!" said he; "and why not? Do you s'pose such a thing as you is going to stop me? Where's your signatoor? Where's your authority? What right have you to say about it? I know not what other men may think, but for my single self I don't recognize no titles of *post nobility*, and so here goes. "A moment after a big placard informed the world that every body was taking the "Concentrated Phlagroot" for worms.

For the Sentinel.

The Circuit Judgeship.

MESSRS. EDITORS:—I concur in your opinion of Mr. MCARTHUR's unfitness for the Bench. He is not a well-read lawyer, and has practiced but little at our Bar. He has not the application to make good these deficiencies. He takes life too easy to make an industrious, decided, prompt and impartial Judge. In all these qualities, as in legal knowledge and experience, he is greatly the inferior of Judge RANDALL.

But I object farther to Mr. MCARTHUR, that he is nominated as a *partizan* and in reward for *political* services. As Lt. Governor, he aided and abetted BARSTOW's *treason* against the State last year, and when his chief flinched, Mac stepped into his shoes and only yielded to "constructive force." For his political actions then, the Barstow men seek to give him judicial preferment now. Nay more; they claim his nomination as a "*Barstow* triumph," and are preparing to use his election as an argument with Mr. BUCHANAN for bestowing the Federal offices in this state upon the "Forty" tribe. I desire to be "counted out," in that arrangement, and if I vote alone, will vote for ALEXANDER W. RANDALL, for Circuit Judge, rather than for ARTHUR MCARTHUR.

A DEMOCRAT, BUT NO BARSTOWITE.

Milwaukee, March 31.

A Manly Protest.

The Buchanan press in the Free States are not wholly debauched by the arts and appliances of the pro slavery party. There are still some manly utterances for Freedom among them, and not a few who utterly refuse to have their tongues tied and hands fettered by the recent infamous decision of Judge TANEY and his slave-holding associates, in the *Dred Scott* case. Among the number of *protestants* is the Kalamazoo *Gazette*, which, in its issue of the 26th of March, thus strongly and boldly speaks:

> "Since our last issue, we have taken some pains to examine, carefully, the points decided in the Dred Scott case, by a majority of the Judges of the Supreme Court of the United States.
>
> It seems clear that a majority of the Judges *hold that the Constitution of the United States confers the right of property in slaves, and as a consequence protects the slaveholder who emigrates to a Territory with his slaves,* NOT ONLY AGAINST ANY LAW WHICH CONGRESS MAY PASS, BUT AGAINST ANY LAW WHICH THE PEOPLE OF THE TERRITORY THEMSELVES MAY PASS. We have no hesitation in saying that THIS IS AN INTERPRETATION OF THE CONSTITUTION WE CAN NEVER ACCEPT. The Supreme Court may promulgate it—the Democratic party may adopt it—but *we shall be found in antagonism to the doctrine, wherever or by whomsoever maintained.* We are so firm in the belief that the founders of this government had a higher and a nobler object in view, when they gave expression to the great truths which underlie the Declaration of Independence, and the Constitution of the United States, than to confer and guarantee the right of property in man, that we will not willingly stigmatize the memory of the honored dead by attributing to them so unjust an intention.
>
> * * * * * *
>
> But it is a far different thing when you come to say that the *Constitution*, itself, *establishes and protects the right of one set of men to hold another set of men as property;* thus interfering with a question purely local and domestic in its character, and which by every analogy known to our system of government belongs exclusively to the community to be affected. A proposition *so opposed to natural right, and so in conflict with all our preconceived notions of the scope and object of the framers of the government, in proclaiming the fundamental principles of a great, free and enlightened nation, only* STRIKES US WITH ASTONISHMENT AND ABHORRENCE. What! the Constitution of the United States of America, based on the glorious declaration that all men are created equal, confer the right on one class of men to hold another class in bondage, and as property! The supposition is unwarranted not only by the character of the men who framed the Constitution, but by the declaration of that instrument itself.
>
> The constitution neither created, nor does it continue slavery. Slavery existed independent of the Constitution and antecedent to it; and it was dependent in the States, not on the will of Congress, but upon the law of the respective States. The Constitution is silent and passive upon the subject of the institution of slavery, or rather it deals with the fact as a fact that exists, without having created, continued, or being responsible for it, in the slightest degree, within the States. There are but three provisions in the Constitution which relate to the subject of slavery. There is that which subjects slave property to taxation; that relating to the ratio of representation; and that which provides for the recovery of fugitive slaves. This is the whole extent of the Constitutional provisions upon the subject of slavery. It no more instituted slavery, or is responsible for its continuance, or its protection, for a moment, while it remains in the bosom of the States, than it is responsible for the protection of other personal property depending for its protection upon the State, and not upon Congressional law. Why, *if the Constitution gives vitality and existence to slavery, no State can rightfully abolish or weaken it.*

CHAPTER 69.

AN ACT relating to practice in the Circuit Courts.

The People of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:

Section 1. Whenever on the trial of any cause in the Circuit Court, either party shall request it, the judge presiding in such Court shall reduce his charge to the jury empannelled in such cause, to writing before giving the same to such jury; and if any such judge shall give any charge to a jury on the trial of any cause when so requested without the same be in writing, it shall be sufficient cause for reversing, on appeal or error to the Supreme Court, the judgments which may be rendered therein.

SEC. 2. As soon as any such charge shall have been given, the same shall be placed and remain on file among the records and papers of the case in which it was given.

SEC. 3. This act shall take effect from and after its passage.

Lt. Gov. and President of the Senate.
Approved March 6th, 1857.

AN ACT to fix the salaries of the Judges of the Circuit Courts.

The People of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:

SECTION. 1. The salaries of the Judges of the Supreme and Circuit Courts in this State who shall be hereafter elected or appointed, and whose term of office shall commence after the passage of this act, shall be two thousand five hundred dollars each; such salaries shall be payable quarterly in the same manner that the Judges of the Circuit Court are now payable: *Provided*, that this act shall not be construed to apply to, nor to increase the compensation of the Judge of any circuit now in office during the term of office.

SEC. 2. All acts and parts of acts conflicting with this act, except so far as the same may be applicable to the salaries of such Judges as are now in office, are hereby repealed.

SEC. 3. This act shall take effect and be in force from and after its passage and publication, and the Secretary of State is hereby ordered to publish this act in the manner prescribed by law, immediately after its passage.

Adproved March 7, 1857.

OLD TIMES ON THE LAKES.—The venerable Judge ARNDT, of Green Bay, sends the following communication to the *Advocate*, in relation to the early times upon the lakes:

> "On reading, in the Marine list published in the Milwaukee *Sentinel*, the number of steamboats and sailing vessels that were lost last year on the lakes, the fact seems almost beyond my comprehension. The number of vessels yet remaining, although not stated in the list, cannot be less than ten or twelve hundred. When I come to look back and reflect, that when I was a sailor on the Lakes, 37 years ago, I knew every vessel then in the trade, and could call all their names, there is no wonder that the above figures should seem astonishing. The total number of sail vessels upon the Lakes at that time, was 36, the most of them being under 50 tons burden, and the aggregate tonnage about 1,500. The smallest measured 7, and the largest 109 tons, and one steamboat, the *Walk-in-the-water*, about 350 tons. When I reflect on this wonderful increase, I can scarcely persuade myself that it is reality, and when I name and count my brother captains, who commanded vessels on the Lakes in 1820, I feel melancholy and alone. O! where are they? But two, I believe, remain; Captain Walker, of Buffalo, and myself."

From the London Times, March 5th.

Marriage in the Rothschild Family.

Yesterday afternoon, a marriage was celebrated with great pomp and splendor, at Gunnersbury Park, near Chiswick, the county seat of Baron Lionel de Rothschild. The contracting parties were the Representatives of the two great—or rather, greatest—firms of the Rothschild family, the bride being Miss Leonora, the eldest daughter of Baron Lionel, and the bridegroom Baron Alphonse, the eldest son of Baron James Rothschild, of Paris.

The wedding repast was laid out in two large rooms, one of which was specially built on to the dining room for the occasion. Both were decorated with exquisite taste and splendor.—The walls were covered with large mirrors, with ornamental trellis-work between, up which were twined large garlands of artificial passion flowers, lillies, wreaths of orange blossoms, and other emblematic Flora, suited to the occasion. The outer saloon was lighted from the roof, which was entirely composed of glass, over the panes of which were strained flutings of white and pink silk in the form of a Maltese cross. The subdued roseate hue thus shed into the chamber beneath produced a most beautiful effect. Tables were ranged along the whole length of both apartments, and, but that in this age of progress tables turn instead of groaning, we should have expected them to remonstrate at the weight of silver which was piled upon them. Great centre-pieces, epergnes, candelabra, race cups and massive tankards, flower vessels and the chefs-d'oeuvre of Sevres, Dresden, and Worcester strewed the board in rich profusion. The wedding cake, a very marvel of sugar architecture, was in the centre at the top upon a salver, which, for size and weight, might have done duty as a shield for Achilles, while beyond the scale of honor rose up a beauffet of gold plate—a background quite in keeping with the gorgeousness of the whole scene. The covers were laid for 140. Only the plate of the family was used.—We cannot hazard a guess as to either its weight or value, but it must be enormous.

The bridal presents, both in quality and variety, were more than sufficient to have stocked an Eastern bazaar; so a mere glance at the most prominent must suffice. Breakfast services, as usual, distinctly prevailed, there being some five or six of them, all of silver, except one set from Mrs. Montefiore, which was of massive standard gold enriched with the most elaborate chasings. To this princely gift succeeded a long row of candlesticks, gold and silver filagree, and enamel ivory work-boxes, lace, fans, jewelled buttons, prayer books bound in gold and jeweled, escritoires of buhl and marqueterie, more breakfast services and a lace parasol. The latter was in a kind of jewel case, the handle was covered with serpents of rubies and diamonds, and the tip of each rib was formed of an oval shaped emerald and large pearl. Arranged on a table by themselves were the jewels, a dazzling pile, all given by different members of the Rothschild family. Close by these, and in a well merited place of honor, were some humble, but beautifully worked, little presents from the scholars and pupils of the Jewish free school.

Shortly before 3 o'clock the guests, who were invited to be present at the ceremony, began to arrive. The chief members of the Rothschild family, both here and in France, were, of course, also present.

The visitors assembled in the drawing room, where Dr. Adler, the Chief Rabbi, assisted by Mr. Archer and Mr. Green, prepared to perform the ceremony, according to the rites of the Jewish religion. A velvet canopy, supported by four of the bridegroom's *garcons d honneur*, was placed at the upper end of the room. The bridegroom was then led in by his nearest male relatives, and placed under the canopy. The bride, who, till then, had remained in her apartment, descended to the saloon, attended by no less than sixteen bridesmaids, all attired alike in white dresses, trimmed with light blue, the bride wearing the usual lace dress, and orange blossoms. At the door of the saloon she was met by her mother, who assisted by her bridesmaids, completely enveloped her whole figure and person in a veil, which reached to the ground, and which is worn in compliance with the scriptural verse in Genesis, relating to Rebecca. She was then conducted to the saloon with the same forms as the bridegroom, and placed under the canopy. The Chief Rabbi having pronounced a most eloquent exhortation to each, the services were commenced in Hebrew. The betrothed then drank a cup of wine and water, and the bridegroom, taking the ring, placed it on the bride's finger, repeating in Hebrew slowly, "Behold, thou art betrothed unto me, with this ring, according to the rites of Moses and Israel." The marriage contract was then read, and prayers resumed, the betrothed again drank a glass of wine between them, and the glass being laid on the ground empty, the bridegroom crushed it with his foot, all the relations at the same time wishing, in Hebrew, that the marriage might be happy, and the bride and bridegroom be as irrevocably joined as the pieces of glass were sundered. About an hour after the conclusion of the ceremony, the visitors sat down to the dinner, for such, in fact, it was. The bride's health was proposed by the French Ambassador, and drank with enthusiasm, shortly after which, both bride and bridegroom left for Mentmore, the seat of Baron Meyer de Rothschild, in Buckinghamshire. Mr. D'Israeli then proposed "the health of Baron James de Rothschild," and that of his colleague, the Baron Lionel. More toasts followed, and in the evening a grand ball was given, at which there was a brilliant attendance of the aristocracy and *beau monde*.

MILWAUKEE HARBOR.
The Old and New Entrances.

Yesterday morning the Harbor Committee of the Common Council, accompanied by the City Engineer, several of the Aldermen and a number of our Lake Captains, proceeded in the steam tug *Decatur*, which had been kindly tendered for their use, to examine and sound the river and the entrances to our harbor, at the Government Pier and the "Straight Cut." The result of their visit was satisfactory, showing a good depth of water from the Government Pier and scarcely any change in the channel from last year. The following Sailing Directions will enable vessels or steamers observing them, to come in by either entrance.

Directions for the Old Harbor.—Keep from 40 to 50 feet from the North Pier, till opposite the *inner* end of the South Pier, when vessels must keep about 160 feet from the North Pier. In this channel there is no where less than *eleven* feet water, the soundings varying from that depth to *thirteen and a half feet.* There is shoal water, along the South Pier, commencing at the outer end and describing a half moon curve to the inner end of the South Pier.

Directions for the Straight Cut—Keep the South pier close aboard and not less than *seven and a half feet* water will be found the whole way in.

There is a good depth of water all the way up the river, and under a late resolution of the Board the "middle ground" is to be dredged to the depth of 12 feet, all the way up to Cherry Street Bridge. No time, however, should be lost, in prosecuting and completing the work at the Straight Cut. The removal of the breakwater (which now partially blocks the entrance) and two weeks' dredging, will give *twelve feet* water and a wide channel all the way in. This work ought to be *hurried up*. Delay is inexcusable.

COMMERCIAL.

THE MARKETS, &c.

OFFICE OF THE DAILY SENTINEL,
MILWAUKEE, April 1, 1857.

Received by Mil. & Miss. R. R.—289 bbls flour, 1948 bus wheat, 516 do potatoes, 135 hides, 4 bdls pelts, 76 do brooms, 1240 lb mdz, 1 car cattle, 1 do hay.

By LaCrosse & Milwaukee R. R.—1573 bus wheat, 92 do barley, 28 hides, 15 pelts.

Receipts of grain are diminishing with the fall in prices. There was rather more inquiry for wheat, yesterday, and some choice parcels of club sold at 90. The general range, however, was 85a87. For good winter 1 10 was readily paid. Canadian buyers take a good proportion of the wheat now offering.

BARLEY—quiet, at 1,25a1,40 for ordinary and 1,45a1 60 for choice samples.

OATS—In moderate request, at 40a43.

CORN—dull, at 48a50.

RYE—nominal, 70a75.

POTATOES—56¼a68¾.

PORK—dull, 9,00a9,25 for good hogs.

We hear of no new charters and freights are nominal at our last quotations, 10a12 cts on wheat to Buffalo.

Weather yesterday, mild and spring-like.

GALENA AND CHICAGO R. R.—The stock of this road has declined rapidly, of late, and on the 25th inst., had sold down to 101. The N. Y. *Tribune*, in its money article, thus accounts for the fall:

> Galena fell off to 101, but afterward recovered to 102. The fall of the last few days has been occasioned by a rumor that the Company were about to sell the remaining million of Second Mortgage Bonds at 75. The facts, we understand, to be that the Company having undertaken to build about 30 miles of second track west from Chicago, have decided to offer the remaining million of Second Mortgage Bonds to the stockholders at 85. If we are not mistaken this Company have already expended nearly double the amount within two years, called for by the Engineers report to entirely complete the road, and now another million is wanted. This continued call for money by Railroad Corporations beyond the largest original estimates of cost is doing much to shake the confidence of the public in Railroad Stocks as avenues of investment.

Chicago Market.

CHICAGO, March 31.

Very little change and very little alacrity was apparent in the market to-day. A few buyers on 'Change offered 85c for spring in store, but obtained only a few parcels. While many holders declined to sell at this rate a majority of buyers decline offering more than 84c, and small sales are reported at this figure. The difference thus revealed in the views of parties explains the absence of large transactions. For delivery in the last half of April, at buyers option, with three days notice, 90c was offered.

A car load of seed wheat went at 1.15.

Some sales of corn were made at 38c in store, and 40c was offered for delivery next week.

Oats are a shade better. A lot was sold at 38c in bags.

The Provision Market continues decidedly firm with additional excitement. An important demand is manifesting itself from the North, and buyers from that direction are already in the market.

W. LAIDLAW'S LAND AGENCY,
OFFICE 230 EAST WATER ST.
Two Doors South of Walker House.

FOR SALE.
A Farm That is a Farm.

THIS FARM is situated in the handsomest portion of our fair State, within a short distance of a Railroad depot, bordering on a small lake of the purest water, with bold and beautiful shores, some mile and a half in length and three-fourths of a mile in width. The owner, on account of ill health, is obliged to give up the farming business, and will therefore give any man who has the means, a chance to purchase a princely farm on easy and reasonable terms and at a great bargain.—Said farm contains 400 acres, whereof about 200 are cultivated, 60 acres meadows and the balance fine heavy oak timber. 70 acres of wheat were raised on the farm last year and yielded 25 bushels per acre, which is all that is necessary to say in reference to the quality of the soil, and as regards buildings—dwellings, barns, sheep and cattle sheds, &c. &c., they are all that can be desired on such a farm, the orchard is very large and contains almost every description of fruit, and there are 7 miles of fences on said farm.

This is undoubtedly the best chance offered in the State to procure a splendid farm. For further particulars of which, apply to the sole agent,

CITY MISSION—PROTESTANT EPISCOPAL CHURCH.—On Sunday evening last, after divine service, a meeting was held at St. Paul's Church, to consider the project of appointing and providing for two City Missionaries on the principles of the Protestant Episcopal Church. Very interesting addresses were delivered by Bishop KEMPER and the Rev'd Messrs KEAN and RICHMOND; the appeal of the last named gentleman being especially eloquent and effective. The response of the congregation was prompt and liberal. The sum of $365 was collected; a committee of ladies and gentlemen appointed, and other efficient measures taken to establish the Episcopal City Mission on a firm and durable basis. The good work will be immediately commenced, it being the intention that one of these Missionaries shall be an English and the other a German preacher.

WARD CAUCUSES.—Caucuses are called for the nomination of Ward officers, as mentioned below:

Second Ward—To-morrow (Thursday,) from 3 to 7 P. M., at the Mansion House.

Fifth Ward—This (Wednesday) evening, at 7 P. M., at the Rochester House.

Seventh Ward—This (Wednesday) afternoon, from 4 to 7 P. M., at Best's Beer Hall, Market street.

Eighth Ward—This (Wednesday) evening, at 7 P. M. at John Pfander's Saloon, corner of Brown and Elizabeth streets.

Ninth Ward—To-morrow (Thursday,) from 4 to 7 P. M., at Reinel's Saloon, Twelfth street.

These Caucuses are called by the "Democratic" Ward Committees, but are usually attended and participated in by men of all political parties.

DESIRABLE CITY LOTS IN THE FIRST WARD.—We learn from Mr. A. L. KANE that as soon as the ground settles, he intends platting and laying out into convenient lots, to be offered at once for sale, the tract of forty acres owned by him in the First Ward. This tract is upon the high ground between the residences of General PAINE and JOHN LOCKWOOD, and being remarkably well located must sell readily at high prices. As a location for residences it cannot be surpassed.

JOHN G. SAXE.—This editor, poet and humorist read his "Yankee Land" to a very large and appreciative audience at Young's Hall, last evening. Mr. SAXE spoke with difficulty, suffering from a heavy cold.—Nevertheless, the intrinsic merits of his poem charmed his auditors and elicited frequent, hearty and well-merited applause.

TAKE IT AWAY!—Huge piles of dirt encumber and disfigure East Water street. Why do not the Aldermen, who are Street Commissioners, take them away? Do they desire to have them remain as monuments of their slothfulness and inefficiency?

THE "RARA AVIS."—This is the title of a neat and well conducted literary and musical Journal published at Portage. The editor and publisher is now in our city and will wait upon our citizens to solicit their patronage for his paper.

FULFILLING A PROVERB.—March has fulfilled an old proverb. It "came in like a lion," cold, fierce and blustering. It "went out like a lamb;" mild, soft and spring like.

DAVIS & CLARK'S OMNIBUS LINE.—The office of this line has been removed to No. 6 Newhall House, where all orders are henceforth to be left.

A Falsehood Corrected.

TO THE EDITOR OF THE SENTINEL—

Sir—A statement appears in the *Daily News* of Sunday, the 29th inst., in reply to a paragraph in your paper headed "Tricks of Hackmen," which is founded upon an utterly false story told by Mr. Fohey. I am the baggage man on whom the *News* says all the blame should rest. Mr. Fohey told me to carry the baggage of the passenger in question, and to look to the passenger for my pay; and now that Mr. Fohey finds his fraud exposed he attempts to lay the blame on me.

Will you please insert this and do justice to,

Yours, &c.,
ALEXANDER McCARTHY.

MILWAUKEE, March 31st.

CLEANING HOUSE.—Now is this mania in full tide of success. When you find that box of Herrick's Sugar Coated Pills cherish it with a mother's love. Recollect the sickness which comes in the still hours of night frequently, two pills at such a time are worth a gold mine. If you have them not, delay no longer. Family boxes 25 cents.

TAKE HEED.—At the Massasoit House, Chicago, may be obtained until May, Old Dr. James' wonderful and celebrated extract of Carnibi's Indica. His son-in law, Dr. Thomas Tilton will supply you with either personally, or by Express. It is a sure and speedy cure of the worst cases of consumption, bronchitis, asthma, nervous debility, coughs, colds and sore throats. We know this to be a fact. Try it and live.

P. S.—By addressing Dr. Tilton a note through the Chicago Post Office, inclosing four stamps (12 cents) a recipe will be sent in return, free of charge, to any part of the Union. DR. TILTON,

Notice.

IN pursuance of the provisions of an Act entitled "An Act authorizing the Enlargement of the State Capitol and providing and appropriating means for the same," approved, Feb. 22th, 1857; Section 4 of which provides that "Immediately after the passage of this act, the Governor shall employ some competent architect to prepare drawings and plans for the Enlargement of the Capitol, and shall also receive and consider, all other plans and drawings that may be submitted to him for that purpose, and calling to his aid and advice the Secretary of State, shall approve and adopt the plan best calculated to meet the wants of the State," I do therefore notify all persons desiring to prepare and submit plans, as provided by said act, that all such plans must be completed with accurate estimates of the cost of the same, accompanied by full detail drawings, working plans, etc., and forwarded to me at Madison, on or before the 25th day of April, 1857. The person submitting the plan best calculated to meet the wants of the State, will be entitled to receive as compensation therefor, the sum of five hundred dollars.

SAM. H. OGDEN. OGDEN & WALL. CALEB WALL.

IN CONSEQUENCE of the confusion in the business both of this office and the City Auction Room, arising from the name of Mr. Wall being at the head of each establishment, we have changed the style of our firm from Caleb Wall & Co. to Ogden & Wall, under which name the business will hereafter be conducted.

In selling lots which may be left with us by our friends we intend to confine ourselves strictly to the duties of agents, getting for them the highest price that we can, and charging commission on the amount we obtain. In our auction sales, which will be frequent during the season, we intend to suppress in every way all fictitious bidding, and to sell positively every lot which we offer. Should a limit be fixed by the holder, we will start the property at the limit, so that a person bidding what he supposes to be the value of the property, may rest assured that he will be overbid only by those desirous of purchasing—who put a higher estimate on it than he does. Our office is furnished with all the city plats and daily papers, and the tables with writing materials; our object being to render it a convenient place for those engaged in real estate and stock transactions to meet and ascertain the feeling of the market, while we shall ourselves always be happy to give any information which may be required. Our private office is separate from the public one, where one of us may always be found ready to transact any business which may offer.

City Land Office,

Great Sale of Property in the 5th Ward.

FIRST AUCTION SALE OF THE SEASON.

WE will offer at public sale on the 8th day of April next, some valuable lots in the 5th Ward, situated on Reed, Hanover and Elizabeth streets, well known as the favorite streets of the Ward. There is no part of the City which is improving with the same rapidity as this is, simply because there is none which is so favorably wanted to meet the growing demands of the public. The lots which we offer are of full size, being 50 feet each in front with a depth of 140 feet, with the convenience of an alley way running on the rear line. They are in the South half of block 107, two of them fronting on Reed St, elevated three feet above the grade; the other three fronting on Hanover street. There is a good house standing on these last named lots, formerly occupied by Dr. Weeks, and they will be sold together.

Terms of sale: ¼ cash; balance in one, two and three years at 8 per cent. interest, payable annually, secured by mortgages on the premises.

The titles to the above lots are warranted.

We will offer at the same time Lot number one in square No. 13, a corner lot, admirably located near the water on the Plank road.

CALEB WALL,
Agent and Auctioneer.

KILBOURN CITY.

WE have for sale a large number of desirable Lots in this flourishing city. Of all the new places which are being built on the lines of the different Railroads running from this place, there is not one which offers as many advantages to the settler as this. Beautifully located on the banks of the Wisconsin River, with a fine Water Power, and midway between Milwaukee and the Mississippi, it presents inducements to the man of business which cannot be equalled elsewhere. The population is increasing with enormous rapidity, the Railroad will reach it in three months hence, and give an impetus to its trade, which in a single year will quadruple the value of the real estate. Lots can now be purchased at a low price.

FARM IN THE TOWN OF SUMMIT, WISCONSIN.

THE undersigned, being about to change his residence, offers for sale the farm upon which he has resided the past ten years, in the town of Summit, Waukesha County, Wisconsin, a half mile south of Summit Centre.

It contains about one hundred and sixty-three acres, all arable land, of which about ninety acres are under cultivation. Its eastern boundary is Genesee Lake, and good water is found on any part of the farm at twelve feet depth.

The buildings are:—a Gothic dwelling house, 28 feet square and one and a half stories high, with kitchen 18 by 22, barn, stable and granary, 30 by 40; work-shop, hen-house, smoke-house, sheep and cattle sheds, &c. Also a good farm-house, built of hewn logs, and log barn.

There are about 150 fruit trees, some of which have been in bearing five years, and most of the others (choice fruit) will probably bear the coming summer. The farm is well supplied with timber for fuel and fencing. One-half of the purchase money may remain on mortgage for a term of years. Address

J. OLMSTED, PROPRIETOR.

Corner of Detroit and Jefferson Sts.

THIS HOUSE has been recently built and just completed, in the most splendid style, and newly furnished throughout, is now open for the accommodation of the public. Travellers will find it a desirable and convenient stopping place, in short a first class Hotel in every respect. mar25-e387-d1y

Notice Extraordinary!

WE WOULD NOTIFY the merchants and the public generally in the Western States that the Match Manufactory of R. W. PIERCE & CO., Milwaukee, Wis., is in full and successful operation, notwithstanding the declarations of a match concern in Detroit, Mich., that our establishment had burned down—that R. W. PIERCE & Co. had failed—that no more R. W. PIERCE'S matches would be seen in market, &c. &c. We are well aware that all such assertions will in due time recoil with bad effect upon the party who originated them, and what we wish is, that the public should be set right in the matter. We now have facilities for manufacturing matches as cheap, or cheaper than any other establishment in the West, and as to the quality, we will leave those who have used them for the last thirteen years to be the judges, and will only remark that our business has increased from less than $1000, in 1844, to more than $59,000, in 1856.

All orders for matches promptly filled.

Beware of Counterfeits!

THREE P. M. REPORT.

Washington Items—Acceptance of Walker.

WASHINGTON, March 31.

The President dismissed his many visitors this morning, until to-morrow, stating that the Cabinet would meet an hour earlier than usual, to consider some highly important subjects.

Fleming B Miller, has been re-appointed District Attorney for the western District of Virginia.

There are a hundred and twenty applications for the twelve or fourteen land office appointments in Kansas.

Gen. Cass has sufficiently recovered to attend the Cabinet meeting, to day.

The Union this A. M. publishes Walker's acceptance of the Governorship of Kansas. He says, "I understand that you and all your Cabinet concur in the opinion expressed to me that actual bona fide residents of Kansas, by a fair regular vote, unaffected by fraud or violence, must be permitted in adopting a State Constitution to decide for themselves what shall be their social institutions. I contemplate a peaceful settlement of the question, by an appeal to the intelligence and patriotism of the whole people of Kansas.—I contemplate no appeal to the military power in the hope that my countrymen in Kansas, from every section, will submit to a decision of this matter by a full and fair majority of the people of the Territory.

More Projects of Annexation.

NEW ORLEANS, March 30.

It is rumored that an expedition is now fitting out here for some point in Central America. It is supposed that the first demonstration will be made against Veragua, a province of New Grenada, between Costa Rica and Panama. The expedition is said to be friendly towards Walker, and will act in concert with him. It is said a provisional government had been formed and a considerable amount of funds raised.

NEW ORLEANS, March 31.

It is stated on good authority, that instead of purchasing lower California, our government will conciliate the South by paying the designated sum of $15,000,000, for the Isthmus of Tehuantepec. It is also rumored that Senator Benjamin, of Louisiana, has been offered an appointment, for the purpose of accomplishing the purchase.

ST. LOUIS, March 31.

Santa Fe dates to 25th ult., are received. Indian depredations were on the increase. Several skirmishes had occurred between the Mexicans and Indians, and a number of both parties were killed.

It is reported that Judge Hopper, James Lucas and two other Americans were killed by Indians near Elpaso.

A letter from Santa Cruz river, dated February 3d, says, if the people of Sonora had encouragement, they would declare themselves independent of Mexico, and ask to be annexed to the United States. The country is overrun by Indians robbing and murdering people in every direction. The revolution in Sonora had ceased.

INSTRUCTION.

SALOM'S MERCANTILE COLLEGE!
A Perpetual Ticket for $25!

GENTLEMEN desirous of acquiring a thorough Mercantile Education, are assured that the advantages presented at this institution are unsurpassed.

The Principal takes this opportunity to acknowledge the courtesy of several of the most distinguished Shipping and Jobbing Houses in the East, who recently allowed him to examine their books, besides explaining many original plans for economizing labor, which, adopted as in some instances after the experience of half a century, may be justly designated the *ne plus ultra* of the art.

These advantages, grafted upon Mr. SALOM'S long practical experience in a variety of Counting Houses, have enabled him to elaborate a novel and valuable series of transactions, introducing all the great heads and ramifications of mercantile routine to be actually developed by the student. A perpetual ticket confers the privilege of instruction in Book-Keeping at all times, as well as tuition in Writing, Mercantile Calculations, Law, Correspondence Forms, &c.

The Surveying and Mathematical department is in progress during the day and evening.

LESSONS IN Foreign Languages.

MR. AND MRS. L. S. H. DE CRETY, from Paris, for four years past instructors in foreign languages in Milwaukee, have the honor to inform the public that they will form classes in the French, Italian and Spanish Languages on the 1st of September next. The course of instruction will be according to the age and intelligence of the pupils, and the classes kept entirely separate, their house being arranged with that view.

Gentlemen and ladies who begin to speak either of these languages, can receive lessons in Reading and Conversation, Mr. De Crety furnishing books of the best French authors. Those too wishing to learn vocal music in either of those languages, will find a competent music teacher in the establishment.

The hours of instruction will be from 8 to 11 o'clock A. M., and from 2 to 5 P. M. And in the evening from half past 6 to 8, for conversation.

Mr. DE CRETY will also give lessons in French, Spanish and Italian, at his office, to gentlemen only, from 7 to 10 o'clock in the evening, as also lessons in Fencing, the use of the Sword, and all military exercises. Persons of delicate constitution and feeble temperament, as also those confined to their offices and engaged in sedentary pursuits, will derive from these exercises, improvement in their health, acquire strength in their limbs and find an agreeable recreation.

Mr. De Crety will also form similar classes, for children, from 10 to 15 years old, at his house, or office, as parents may prefer. Fathers and mothers who desire to see their children strong, active and robust, can judge for themselves, after a few weeks trial, as to the effect of these different exercises upon their health.

The continued patronage of the public is respectfully solicited.

To MERCHANTS.—Mr. DE CRETY will take charge of French correspondence to all the principal cities of France and will procure all Price Currents that they may want.

WE HAVE NOW ON HAND and are constantly receiving the largest and best assortment of goods in our line, ever brought to this city.

Our stock of PAPER, of every description, such as all kinds of flat paper, Folio Post, ruled and plain Cap and Note Paper, Colored Paper, Bond Paper, Wrapping Paper, etc. etc., is larger and cheaper than anybody's in this City. Blank Books

Are concerned, nobody will deny that we have a *better* and larger assortment of them than anybody else, and what is more, *they are all of our own make*, and therefore we guarantee them to be better, *by far better* than all the eastern stuff that is patched together and sent out west in large quantities. And then our stock of

STATIONERY,

There is nothing that you can think of in that line which is not to be found on our shelves. To commence enumerating those different articles would be useless, as it would occupy all the columns of this paper; and if you want to buy these things cheaper than any where else, call at our store,

FINE CLOTHING,

Second door above the Astor House, NEW YORK,

WOULD SUGGEST to the Trade, that they will be prepared for Spring sales with their usual extensive stock of the finer qualities of
READY MADE CLOTHING.

In reference to which they would suggest, that the facility with which their goods can be fitted, every garment being marked in lengths and breadths, the same size breast being varied to suit different proportions of the same measure, should give them the preference over any clothing, the sizes of which are indefinitely marked. The facility of readily suiting patrons from that fact, it is presumed, has been very generally realized. In a word, strict attention is directed in a determination to render our garments equal in every respect to the best custom work.   feb6-3mVO&CO

MEDICAL.

R. R. R.

THE MEDICAL TRINITY.

EACH of Radway's Three Remedies possess special curative powers over certain diseases; and when either the Ready Relief, Renovating Resolvent, or the Regulators, are used for the certain class of diseases they are specially designed for, the system undergoes a rapid transformation from its diseased condition to a healthy and happy state of existence.

RADWAY'S READY RELIEF.

This remedy is to be used externally, or taken internally, for all pains, aches and infirmities. In a few minutes it stops the most torturing pains, subdues all inflammations and cures the worst cases of *Rheumatism, Lumbago, Gout, Paralysis, Neuralgia, Tooth-ache, Burns, Sprains, Strains, &c.* It restores the *lame, infirm and crippled* to soundness and vigor. It is likewise a certain cure and preventive for *Fever and Ague, Scarlet Fever, Smallpox, Croup, Hoarseness, Colds and Influenza.* Whenever you feel any unpleasant or painful symptoms, take a dose of Radway's Ready Relief, or apply it to the parts where the pain is located; in a short time you will enjoy ease and comfort.

Bear in mind, there is no pain so severe but that Radway's ready relief will stop, and no system so crippled with infirmities but that the R. R. R. Remedies will restore to sound and vigorous health.

RADWAY'S REGULATORS.

The discovery of these wonderful pills establishes a new era in purgatives, and a new principle in the science of medicine. In taking these pills no griping pains or sickness at stomach is experienced; they operate naturally, leaving the bowels, liver and other organs in a natural condition.

They insure those who take them a good appetite and a healthy digestion.

Each pill that is taken gives new life to the blood; they purify it, take from it all impure deposits and equalize its circulation.

One or two doses of Radway's Regulators will entirely remove all distressing symptoms of Dyspepsia, Jaundice, Nervousness, Indigestion, Costiveness, Liver Complaint, Billiousness, Melancholy, and will cure all organic diseases, either in man or woman. Ladies troubled with irregularities or weakening discharges, may rely upon a prompt cure and regular periods if Radway's Regulators are taken.

PICTURE OF HEALTH AND BEAUTY.

A few doses of Radway's Regulators will insure a clear, fair, pure and healthy skin and a rosy complexion. They give to those troubled with weak dull, yellow eyes, a clear and brilliant appearance. Radway's pills give a natural beauty to the face, eyes and head; and the use of the Ready Relief as a wash for the teeth and an aromatic for the breath, will change the most disgusting foul breath to sweetness, and the blackest teeth to Parian whiteness.

One to ten of Radway's Regulators is a dose; they never do injury, but always do good.

CONGESTIVE DISEASES, APOPLEXY, TERMINATION OF BLOOD TO THE HEAD.

Persons of full blooded plethoric habits are more subject to congestive diseases, headaches, rush of blood to the head, than those of a lean habit; bleeding in these cases is highly detrimental, nor does this practice lessen the danger; the difficulty is not caused by too much blood, but by its disturbed circulation, and the irregular action of the *heart*. Now a dose of Radway's Regulators will correct all these difficulties—they will *correct* the action of the heart, liver, and all other organs to a natural and regular action, and will immediately *equalize* the circulation of the blood. Mere purging in these cases will only aggravate the disease.

Radway's Regulators not only *regulate* the bowels, by which all diseased and injurious matter is purged from *the body*, but they control the whole system, and, *force*, each and every organ, the heart, brain, liver, nerves, bowels, skin, pancreas, bladder, kidneys, stomach, lungs, throat, blood, and every tissue in the whole organization, to a healthy and regular action. They infuse new life throughout the whole system; their action is not confined to any local part of the stomach, like common pills, but they search out diseased action wherever it may be hidden, and expel all diseased humors and deposits from the body. In a few hours after taking a dose of these life creating pills you feel refreshed and invigorated from head to foot. We have known the dispirited and melancholy take a dose of Radway's Regulators *just to feel good—they make one feel so happy.*

RADWAY'S RENOVATING RESOLVENT.

Cures Humors, Salt Rheum, Scrofula, Ulcers, Nodes Tumors, Fever Sores, Skin Eruptions, Blowches Bronchitis, Dyspepsia, Gout, Dropsy, Syphilis, Consumption, Apoplexy, &c., and all constitutional and chronic diseases, either inherited by hereditary transmission, or inoculated by exposure or otherwise.

There is no remedy in the world that will work such miraculous cures in old diseases as Radway's Resolvent. It changes the whole human body—reproduces new and healthy blood.

☞ Bleeding from the lungs—Radway's Renovating Resolvent will, in a few minutes, check Hemorrhage from the lungs or throat. In cases where the patient coughs up clots of blood or pus streaked with blood, Radway's Resolvent will soon remove the difficulty.

☞ Sarah Hammond, of 193 East Thirty-Second st., had a bad cough for two years, she coughed up sometimes half a pint of blood during the night. She was cured in seven days by the Relief and Resolvent.

☞ A sore leg of 21 years cured in three weeks, by Radway's Relief. Mr. T. H. Kilgo, a merchant of high standing in Dahlonega, Ga., says:—"That a gentleman who, for 21 years, had been afflicted with a sore leg, that resisted every kind of treatment, was effectually cured in three weeks by Radway's Ready Relief, Resolvent and Regulators."

GENERAL COMPLAINTS.

If you catch a sudden cold, get a sore throat, or become afflicted with Influenza, a dose of Radway's Regulators, and an application of the Ready Relief, will free you from all pain and uneasiness. In a few minutes after the Relief is applied no soreness will trouble you. If afflicted with headache, either nervous or from foul stomach, Radway's Ready Relief, and a dose of Regulators, will remove all pain from the head, and restore health to the nervous and afflicted.

Radway's Ready Relief and Regulators always cures *Dyspepsia* in its most distressing forms, and nervousness with all its horrors.

☞ WHOOPING COUGH.—Thousands of cases of Whooping Cough have been cured in a few days by the Resolvent and Relief, and if the Whooping Cough is prevalent in the neighborhood, those who take half a teaspoonful of Ready Relief in a little water, once or twice per day, will never catch it. Radway's Relief destroys the infection of the "Whooping Cough."

☞ TOBACCO CHEWERS.—Those who have become reduced by the effect of tobacco, or the indulgence in spirituous liquors, who feel the horrors of incapacity, weakness, sterility, and the *infirmities* which a fast and intemperate, luxurious and lustful course of life inflicts upon its victims, will find relief from these horrors, and sure restoration to health, strength and vigor, by the use of Radway's Relief, Regulators and Resolvent.

This is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Professor, Boerhave. Because great success in most of the European States, its i duction into the United States was intended more cially for those of our fatherland scattered here there over the face of this mighty country. Me with great success among them, I now offer it t American public, knowing that its truly wonderful cinal virtues must be acknowledged.

It is particularly recommended to those persons constitutions may have been impaired by the conti use of ardent spirits, or other forms of dissipation. erally instantaneous in effect, it finds its way to the of life, thrilling and quickening every nerve, raisi the drooping spirit, and, in fact, infusing new healt vigor in the system.

NOTICE.—Whoever expects to find in this a bev will be disappointed; but to the sick, weak and low ited, it will prove a *grateful* aromatic cordial, poss of singular remedial properties.

CAUTION!

The great popularity of this delightful Aroma ha duced many imitations, which the public should g against purchasing. Be not persuaded to buy any else until you have given BOERHAVE'S HOLLAND TERS a fair trial. One bottle will convince you ho finitely superior it is to all these imitations.
